231.7	Eldredge, John	Epic : the story God is telling and the role that is yours to play	00054313	Life, for most of us, feels like a movie we've arrived to forty minutes late. Sure, good things happen, sometimes beautiful things. But tragic things happen too. What does it mean? For when we were born, we were born into the midst of a great story begun before the dawn of time. A story of adventure, of risk and loss, heroism...and betrayal. A story where good is warring against evil, danger lurks around every corner, and glorious deeds wait to be done. Think of all those stories you've ever loved - there's a reason they stirred your heart. They've been trying to tell you about the true epic ever since you were young. There is a larger story. And you have a crucial role to play.
