A layman looks at the love of God : devotional study of 1 Corinthians 13	00054451	Beginning with a clear definition of biblical love and a look at how far from it both society and the Church have drifted, the author shows that Christians who truly receive and give God's love must understand Christ's character and develop those same qualities in their own lives.

231.7 ELD	Eldredge, John	Epic : the story God is telling and the role that is yours to play	00054313	Life, for most of us, feels like a movie we've arrived to forty minutes late. Sure, good things happen, sometimes beautiful things. But tragic things happen too. What does it mean? For when we were born, we were born into the midst of a great story begun before the dawn of time. A story of adventure, of risk and loss, heroism...and betrayal. A story where good is warring against evil, danger lurks around every corner, and glorious deeds wait to be done. Think of all those stories you've ever loved - there's a reason they stirred your heart. They've been trying to tell you about the true epic ever since you were young. There is a larger story. And you have a crucial role to play.

232 Luc	Lucado, Max	God came near	00054052	Max Lucado invites you to see Jesus as you have never seen Him. To see Him as He is: God in flesh. Come smell the dust in the carpenter shop. See the sweat on His brow and the tears in His eyes. Jesus will be transformed into the touchable face of a best friend.
232 Luc	Lucado, Max	He choose the nails: what God did to win your heart	00054289	Linger on the hill of Calvary. Rub a finger on the timber and press the nail into your hand. Taste the tinge of cheap wine and feel the scrape of a thorn on your brow. Touch the velvet dirt, moist with the blood of God. Allow the tools of torture to tell their story. Listen as they tell you what God did to win your heart.

C Cha	Chan, Francis, 1967-	The Big red tractor and the little village	00054422	
C CHA	Chan, Francis, 1967-	Halfway Herbert	00054347	Halfway Herbert only does things half way and never finishes anything, but when he tells a half-truth, deciding he isn't exactly lying, everything falls apart. Suddenly Halfway Herbert learns that a Christlike life takes more than a partial effort. But can he finally give something his all? Halfway Herbert helps children discover the importance of honesty and offering their best for God in all they do. It's a delightful tale about how even a child can follow the 1st commandment and live fully for God.
