

-- Gathering together around the dinner table is so beneficial to our own families because it is God's plan to bless His family in Christ as well.

### Hebrews 2:9-18

- v. 9 – In His perfect righteousness, He tasted death as an atoning sacrifice for our sins.
- v. 10 – Christ's coming was made complete by His suffering. He paid a debt He did not owe because we owed a debt we cannot pay.
- v. 11-13
  - If we have been made holy by faith in Christ, then we are one \_\_\_\_\_ with Him who has made us holy (Ephesians 1:4-6).
  - Because we are granted Christ's righteousness, Jesus is not ashamed to call us His family (v. 12-13).
- v. 10 – God the Father sent His Son for us in order to bring many sons to glory. The glory Christ came to purchase for us is the glory of membership in God's \_\_\_\_\_ (Ephesians 2:18-19).

### The Lord's Supper is our \_\_\_\_\_ meal.

- It is a precursor to the fellowship we will share for eternity with God, our Father and Christ, our Lord and brother (1 Corinthians 10:16-17).
- We gather around the same table, eat the same bread, and drink the same cup at the same time because we have all been made members of the same family in Christ and this is our family supper.
- This congregation is part of your forever family because we have been called by the Spirit to become \_\_\_\_\_ of the Father through Jesus Christ the Son.
- Today, we practice in part what will be our perfect practice forever.
- Because of who Jesus Christ is and what He has done, this supper is our family supper. Let us delight in this opportunity today to share it together today.
