

### Big Idea:

Live every day like it is that ultimate day when Christ returns.

**1.) Those getting ready are radically GENEROUS (v. 33-34).**

**2.) Those getting ready are radically DRESSED (v. 35).**

-- Those who are preparing for Jesus to return will work hard to display the attitude of Christ at all times.

**3.) Those who are ready are radically SERVING (v. 36-44).**

-- Kingdom-minded believers are servants of others for God's glory.

-- Since Jesus came to be a servant in the past and is coming again to be a servant in the future, then anyone aware of the nearness of His kingdom must be a servant of God in the likeness of Christ.

**4.) Those getting ready are radically aware of FUTURE JOY (v. 36-37).**

-- Jesus is coming back again to serve His servants the celestial feast of the ages.

### Are you living every day like today could be that day?

1.) *If Jesus came today, would He say that you are using your money and possessions to build God's kingdom or your own?*

-- People getting ready are radically **GENEROUS**

2.) *If Christ returned in this very moment, would He say you are dressed in His humility, kindness, forgiveness, and love? Or would He find you dressed in attitudes that don't belong in God's*

*kingdom?*

-- People getting ready are radically **DRESSED**

3.) *If the kingdom of God came upon you this week, would Jesus identify you as an active servant of His, or group you together with people who are just playing church?*

-- People getting ready are radically **SERVING**

4.) *Are the things you want most things of earth, or are you driven by joys that can only be found in heaven?*

-- People getting ready are radically aware of **FUTURE**
