

Big Idea

Biblical discernment is a critical element of a worthy witness.

1.) A worthy witness is UNASHAMED (v. 13a).

2.) A worthy witness is UNDAUNTED (v. 13b).

3.) A worthy witness is DISCERNING (v. 14-16).

-- A sullied witness is a STUMBLING BLOCK both inside the church and to the world, because an undiscerning witness necessarily announces something other than the pure Gospel of Jesus Christ.

4.) A worthy witness is REWARDED (v. 17).

-- *Will you compromise with the pressures of this world, or will you overcome them for the glory of God?*
