

**Big Idea: A worldly life is a woeful and wasted life.**

- Babylon is a symbol for **CORUPTED** society.
- The glories of this earth are doomed to complete destruction, so don't love them or live for them.

**1.) UNGODLINESS will doom the world (v. 1-8).**

- Isaiah 47:8-9

**2.) WORLDLY hopes will be devastated (v. 9-20).**

- It's not so much what you have that makes you a citizen of Babylon, but what you want and trust.

**3.) The world will be forever ERADICATED (v. 21-24, Jeremiah 51:63-64).**

**Application: Live for what will LAST**

- v. 4-5 – We are called by God to come out of Babylon and be separate.
- Worldliness is not about where we live, but what we **WANT** (Mat. 5:13-16, Luke 12:15-21).
- *If the absolute devastation of everything worldly, as revealed in Revelation 18, what will?*
- *Are you investing your life in that which will endure?*
