

AMERICA'S TAINTED TRUST

PSALM 146

-- The political madness surrounding this election is revealing the presence of tainted **TRUST** among the people of God (Luke 6:45).

-- In the wake of wanton unrighteousness, the Word of God calls us to **REPENTANCE** not rage (James 4:8-10, 1 Timothy 3:5).

-- Are we wanting back what we've seen instead of believing God for what we haven't (Hebrews 11:13-16, Luke 12:32)?

-- We are called to be people of faith in a God who never needed a **MAN-PAVED** road to get anywhere (Isaiah 43:16-19).

-- History makes clear that limiting God to human options is the epitome of naiveté (Psalm 146).

-- On Nov. 8, we cast our votes, but if we cast our confidence into our **CANDIDATES** then woe be unto us (Isaiah 46:9).

-- The church of Jesus Christ doesn't rise or fall on the fleshy back of an **ELECTION**

-- Paul didn't tell the government to overcome evil with good. He told us to (Acts 4:18-20).

-- We must take up the fight of faith for ourselves, because faith we haven't fought for might be faith we don't possess.

-- More than getting our country back, we need our **FAITH** back.

-- God has foreseen these days coming, and in these days, He has entrusted us with the gospel and the gifting to share it.
